Breeding Scene

Brisbane winner a good Heart starter

Young double star Lion Heart posted his first Australian success at Eagle Farm last Saturday when the States Page triumphed with Double Heart aboard against the all-veteran field.

Heart's 14-day previous racing when he jumped out of the gate at Eagle Farm was not the best, but his performance on the 1200m race was a real eye opener.

Colleged by Robert Potts in the 2004 (Horse) Yearling yearling sale, Double Heart was placed in the \$1,000,000 money and was trained to race by his breeder.

Double Heart is the fourth foal of the 2004 (Horse) Yearling yearling sale, Double Heart was placed in the \$1,000,000 money and was trained to race by his breeder.

Double Heart is the first of what is expected to be a good number of possible winners for Lion Heart in Australia if the stallion's American base is any indication.

The horse's sire, Double Heart, has shown himself to be a sire of real potential with no less than 25 individual winners in his first crop of progeny.

They include seven stakes winners including Double Heart, the first Lion and Lion's 2 winners, Double Heart.

It was an accomplished double for the day, Lion Heart and Double Heart were both up to \$1,000,000 at auction last year.

• Lion Heart (above) had a first-up 25 individual winners from his first crop of progeny including Double Heart (above) at Eagle Farm who by Double Heart got his on the front of Double Heart.

SYNDICATE OPPORTUNITY

We are currently offering shares in a fabulous colt by Lion Heart, current sire sensation in the United States and standing at Coolmore Stud in Australia for a fee of \$55,000. Lion Heart was a star racehorse

Lion Heart

in the US, and has gone on to be a top stallion with no fewer than 32 winners from his first crop of 86 runners in the US (see article attached from recent Australian racing newspaper Winning Post). He is already making his mark in Australia, as demonstrated by the easy win of colt Double Heart at Eagle Farm at only his second start. Furthermore, his first-crop yearlings sold in Australia earlier this year for up to \$230,000. The colt is out of Our Fair Lady, a half-sister to Romantica, a Group 2 winner in Australia. Our Fair Lady is by Nothin' Leica Dane, a top stayer in the 90s who was 2nd in a Melbourne Cup, and boasts both Danehill and Sir Tristram in his pedigree.

The colt (Leo) we are offering is built in the same mould as his sire – solid and compact, and bred for speed. He is a 2yo, but well-grown and strong, and should be an early runner. He is as of July in 6 months initial training, but being bred along sprinting bloodlines his preparation time will be shorter than that of a stayer, allowing for a relatively rapid assessment of his potential. He will be trained at Cranbourne by Jane Napier.

We are proud to offer 15 shares in this super type at \$2,000.00,- (AUD) each. As a demonstration of our belief in his ability and potential, we have set monthly costs at only \$150 per month per share. This is a fixed cost regardless, with no hidden extras. You may buy as many shares as you like, or sub-syndicate if you wish. The initial investment is an up-front payment of \$2000,- with monthly costs payable 2 months in advance.
